Mentalism Specialist, Magic School of Bangladesh. Dhaka.

Interactive magic, built for the room

I'm a card magician and mentalist based in Dhaka. My shows are built around the audience: people take part, the tone moves between comedy and serious moments, and every set is tested on real crowds before it joins my repertoire.

Best Speaker, four times	Debate competitions at Chittagong Ideal High School.
Best Delegate	Adamjee Intra Model United Nations III, 2022.
